FREDERICKSBURG

FREDERICKSBURG

The Texas Hill Country may soon be better known as Texas Wine Country, and Fredericksburg is at the center of the action. Not only do the region's sprawling vistas serve up scenic views, they are also home to the state's highest concentration of wineries and vineyards. About those scenic views—be sure to clear some space in your camera roll ahead of your trip.

Fredericksburg's lineup of wineries and vineyards is staggering, but it's easy to explore several in just one trip. You'll discover various wineries as you stroll the city's charming streets, and it's easy to book a tour to explore the seemingly endless options along Wine Road 290, just beyond city limits.

After a day of wine tasting, leave room to soak up Fredericksburg's small-town charm and authentic German influence as you explore foodie restaurants, shops and galleries.
